HERMON FACULTY MEMBERS TO MARRY DURING SUMMER

Of much local interest are announcements of the engagements of several instructors on the faculty of Mount Hermon School. A fortnight ago O. Gaylord Marsh, American consul to Guatemala announced the engagement of his daughter, Miss Eva Mary Marsh, to Harlan L. Baxter, instructor in languages at the school. Miss Marsh will graduate this June from Connecticut College for Women. She has lived abroad most of her life, attending schools in Mexico and Uruguay, more recently the University of Dalhousie, Nova Scotia, and the University of Strassbourg, France. She and Mr. Marsh met two summers ago when he was studying in Strassbourg. They will be married in late June.

On June 26 Miss Mildred Heine, daughter of Mrs. Emma Heine, New York City, will become the bride of Mr. Charles W. Scheid at the Morrisania Presbyterian Church, New York City. Mr. Scheid is in the Bible Departments at Mount Hermon.

Another summer wedding will be that of Miss Audrey Stevenson, daughter of Mr. and Mrs. W. J. Stevenson, of Minneapolis, and Mr. Melvin Gallagher, of the Department of Music at Mount Hermon. Miss Stevenson is graduate of the University of Michigan and is now connected with the First National Bank of Minneapolis. The wedding will take place in August.

Declamation Contest Held

Under the direction of Harry A. Erickson, of the English Department, the Joseph Allen Prize Declamation Contest was held during noon assembly in Camp Hall, May 31. The variety of the readings, the clarity of diction, ease and presence of the contestants indicated careful coaching and made this year's contest one of the best in recent years. The judges, Judge Philip H. Ball, Greenfield, Frederick W. Porter, Greenfield, and Frank Duley, East Northfield, awarded first prize to Henry Clay for his reading of Service's "Fluette".

William Force, presenting "Bluff," a sketch of his own authorship, received second award, and John W. See, with Dorothy Parker's "The Waltz," won third place. The program was as follows:

The Garden Club

One of the features of the Flower Show will be the mixed bouquets. These will be judged for their symmetry of arrangement, and the beauty of the entire bouquet, as well as of the individual blooms. Harmony of color and the fitness of the basket or vase to the type of flowers, will also play an important part.

In using vases or bowls, select something simple that will not distract the eye from the flowers. Remember, it is the bouquet you are showing and not the container. Plain glass or pottery in green, or neutral colors, and with good lines, will show your flowers to far better advantage, than elaborate vases. And do not crowd the flowers. The Japanese, famed for the exquisite artistry of their flower arrangement and who spend years in mastering the art, seldom use more than two sprays and often less in a bowl.

That does not mean that the bouquets are going to be judged by the Japanese standard, but be sure and give each flower a chance to show its individual perfection. If it is not lovely enough for such treatment, it is not fit for showing. This mixed bouquet exhibit will be one of the most interesting features of the Flower Show as it allows a wide latitude for that personal touch that will not be apparent in the more stereotyped exhibits.

To Editor of Herald:
Dear Sir:

Quinlan who is to be the new postmaster at Northfield and to express to him my desire and willingness to aid him at all times in his new duties. I would also like to express my appreciation to all patrons of the office for the fine co-operation and pleasant relationship which I have enjoyed while serving the community.

Yours very truly,

Baccalaureate Service

For Northfield's Graduating Class

Through the co-operation of the Catholic, the Congregational, and the Unitarian Churches, the baccalaureate service for our high school will be resumed.

This year, by invitation, the class of 1934 will meet for its service at the Unitarian Church Sunday, June 17 at 8 P. M.

The three churches will participate in this service, assisted by Supt. Mr. Robbins, the high school orchestra, and glee club.

The parents and friends of the class members are especially invited and the townspeople generally will be there to show their interest in the class.

High School Graduation

The public is cordially invited to the Class Day Exercises which are to be held in the Town Hall Thursday June 21st at 8 P. M. and to the graduation exercises on Friday evening. The class of 1934, numbering 29 members, is believed to be the largest class that ever graduated from the school, and apparently is larger than any class will be for some time. With such a large class graduating and a rather small Freshman class expected, it is possible that next year the number in school may be down somewhere near the capacity of the building and that the worst of the overcrowding will be relieved. The Honor Roll will be printed in next week's Herald.

Eli Brooks

The death of Eli Brooks, 65, of Seattle Washington took place in that city last week. The body is en route to South Vernon where burial will take place in Tyler Cemetery today at 10 A. M.

Mr. Brooks was a native of Vernon, spending his early years there. In Seattle he was a very successful business man and a prominent citizen. He is survived by his wife, Alice Davis, also a native of Vernon and he leaves many relatives and friends in Vernon and vicinity.

Doremus and a number of friends who knew Mrs. Whalen well during the many summers she spent in Northfield were present.

Elijah Belding

The funeral of Elijah Belding 87 of West Northfield was held Tuesday at his late home with interment at Springfield, Mass. Mr. Belding was born in the house where he died and was a descendant of Pioneer Northfield people.

For long a successful business man in Springfield, he also served in the city council here and retired to the ancestral acres in 1920. He is survived by two sons Dr. J. Eastman Belding of Worcester and Everett E. Belding of Greenfield.

Glee Club Concert By Mary Sheldon

A concert will be given by Estey Chorus and Mount Hermon Glee Club in the Auditorium, Saturday evening, June 9 at 8:15. An annual concert by the Estey Chorus alone, given during Commencement week, has been a tradition at the Seminary for many years. This year, however, under the leadership of Mr. Gallagher, the two groups are combining for the occasion as they have at other times throughout the year.

Faculty Reception By Louella Smith

One of the delightful events of the Commencement program, the faculty reception at Miss Wilson's home, is to occur Saturday afternoon from four to five-thirty. It is expected that many alumnae, seniors and their guests will enjoy this part of the week-end's activities.

House Warming at Week-end Cabin By Sally Gilbert

On Saturday June 2, twelve Seminary girls had the privilege of spending the first week-end in the newly built week-end cabin. The cabin was finished last week as the gift of one of the trustees of the Northfield Schools, Mr. Edwin S. Sunderland of New York City. It is located above Old Orchard, and can accommodate twelve people over night.

In the fall students were requested to submit plans for the cabin, and those accepted were submitted by Elaine Freeman of Gould Hall. The first delegation consisting mostly of seniors was chaperoned by Miss Grace Field and Miss Miriam Hubner of the Physical Education Department.

Those comprising the group were Elaine Freeman, Adrienne Child, Alice McBee of Gould; Fredericka Duffee, Margaret Korngiebel, Katherine Reeves, Frances Jones, Ruth Fox of Marquand; and Ruth Barker of East Hall. The cabin is a dream realized, and immeasurable gratitude is extended to Mr. Sunderland.

Alumnae Day By M. Jacqueline Palmer

Twelve reunion classes are coming back for Commencement, including five members of the first class, that of 1884.

The classes of 1914 and 1919 which have the same class teacher, Miss Betty Taylor More, of Wellesley, will stay at the Hotel Annex. Other classes will stay on the campus. With the exception of the staying at the Annex, the alumnae are having their meals together in Gould basement.

The alumnae are honored by the presence of Miss Nancy Comins of Amherst, Mass., the very first Northfield girl to arrive at the home of D. L. Moody in 1875.

Many alumnae are coming from great distances for the Commencement exercises, some from as far as Brazil, England, Nebraska, Alabama, Florida, California, Kentucky, and North Carolina. The alumnae trustees, Miss Lucy Curtis '01, Bridgeport, Conn., and Miss Harriet A. Broad '91, of Brookline, Mass., will be here.

Saturday, June 9, is Alumnae Day. Mrs. Bess Lombard Chaffin '03, president of the Executive Committee of the Alumnae, is presiding at the meeting. The senior director of the alumnae is Miss Iris E. At 5:30 the "Class of 1892" will hold their annual reunion and supper at The Homestead, with Mrs. Moody.

On Sunday morning at the alumnae prayer meeting in Sage Chapel, tablets to three missionaries will be unveiled: Dr. Ruth Bliss Boggs '87, China; Mrs. Julia Stickney Cochrane '93, Burma; and Mrs. Orinda Elliott Fisher '97-99, China. Miss Harriet A. Broad is in charge of the service with Miss Marion Webster '11, of Northfield, as violinist.

Sunday afternoon a meeting of the Students' Aid Society will be held at Kenardon Hall. All returning alumnae are invited.

Alumnae Association's Fiftieth Anniversary By Esther Fernald

On Saturday, June 9, at 3:15 o'clock a program is to be presented by students of Northfield Seminary in honor of the four members who are returning of the eleven members of the class of 1884, exactly fifty years ago. The program will be divided into two parts, the first of which will recall the "days of yore."

Dorothy Clay, Betty Spear, Beatrice Perratt, Betty Hall, Grace Lovelorn, Margaret Jameson, Helen Kalix, Esther Fernald, Betty Bartlett, Betty Bourne, and the Whitecomb and Lamphear girls will re-enact the first alumnae meeting in which the original constitution is to be read. Following this the four members present, Miss Corn Moore, Miss Lucy Litch, Mrs. Emilie Harlow DuBois, and Mrs. Etta Clark VanDuyn will be asked to lead the meeting in the way it really was done.

For the third section of the first program Mrs. A. G. Moody is to present and talk on some slides which will show highlights in the history of the school.

The second half of the program has just as definite a purpose—to renew old acquaintances. Tableaux representing the professions into which the graduates have gone, such as nursing, medicine, law, business, teaching, home missions, foreign missions and homemaking, are to be given. The girls who are to assist in this scene are the Misses Hilditch, Vanderhoop, Murray, Emerson, Johnson, Copley, Beatty, and Livingston. A dance of the seasons will be portrayed by Margaret Petrie and Carol Thatcher.

The third section will be greetings from the present Northfield Clubs in order to acquaint these four members with the development in relationships of this sort since their time.

"Northfield Beautiful" the song of Northfield Seminary will bring the program to a close.

The Sacred Concert By Jean Olsen

Northfield Seminary and Mount Hermon students will join again next Sunday in the traditional Sacred Concert. This will be the first concert under the direction of Melvin Gallagher. The Northfield Schools Choral director.

The program will be divided into three general themes each one being introduced by the reading of an appropriate scripture passage by Principal Mira B. Wilson. The first theme is "Adoration and General Praise;" the second, Service and Brotherhood and the last, Worship of God in Nature.

The entire student body will participate in the concert although most of the numbers will be sung by the individual choirs which have been trained separately.

These choirs are: the cappella choir, the Hermon four-part choir, the Seminary Thursday choir, and the Seminary Wednesday choir.

Seminary Delegation to Attend Girls Conference By Sally Gilbert

This year the Northfield delegation to the Girls Conference, June 25 to July 3 will be larger than that of preceding years, the number totaling twenty. The delegation will be headed by Miss Victoria Freeman, who will be assisted by Miss Eva Freeman, Chaplin, and Mrs. Ingalls. It is hoped that the group will be an active body in all phases of the conference.

Those girls who will represent Northfield Seminary are: Eunice Thompson, Margaret Watson, Janice Tyack, Sally Gilbert, Eleanor Williams, Jane Clark, Geraldine and Emily Call, Helen Creamer, Doris Leonard, Grace Wilcox, Louise McDougall, Adrienne Child, Hazel Sundt, Jane Mitchell, and Betty Spear.

As a tradition the school will march in to the hymn of "Ancient of Days, who sittest throned in glory," followed by the seniors whose processional hymn will be the "War March of the Priests."

The speaker will be the Right Reverend Henry K. Sherrill, D.D., LL.D., of Boston, Mass. The service will be closed by a Choral Amen.

Swimming Meet By Anne Hayes

On Saturday, June 9, a swimming exhibition will be held at the Mungier Swimming Pool from 4:15 to 4:45 P. M. The meet consists of form swimming, figure formations and diving. Since the seating capacity is limited only alumnae and visitors may attend.

Alliance Meeting

The Annual Meeting of the Conn. Valley Associate Alliance was held at South Church Thursday beginning at 10:30 A. M.

The principal speaker was Dr. Eugene Rodman Skippen of the 2nd Church of Boston. Dr. Skippen makes his winter home at Winter Park, Florida the home of Rollins College.

Dr. Skippen spoke on the remarkable Filipino movement known as "The Aglipayans." This liberal movement is a direct outgrowth of the one started in 1902 when three million Filipinos left the Roman Church and associated themselves with the International Congress of Religious Liberals in Europe.

Dr. Skippen was well received by a large and interested audience.

New Equipment

Mrs. Anna Waterford proprietor of the Northfield Beauty Parlor at the Hotel has added much new equipment and is now better able to serve the women of this vicinity. A new electric vibrator and new dryer together with the non-electric permanent equipment places the shop in top rank in hair-dressing.

Fire Call

The Fire Dept. responded to a call Thursday afternoon to put out an automobile fire in front of Revell Hall. The cushions of a car owned by Mrs. L. D. Jones of Schenectady, N. Y. were badly burned.

It's Exciting! The New ZOTOS* Permanent NO MACHINE . . . NO ELECTRICITY

EVERYONE'S discussing this sensational new method—the Zotos Machine-Less Permanent! Who ever thought it would be possible to permanently wave hair without a machine or electricity? . . . It's comfortable! It's quick! It's safe! And best of all, you're sure of deep beautiful waves, and a wonderful lustre, no matter how delicate your hair texture.

Better hurry and make an appointment for ZOTOS. The rush is on.

CHEVROLET

ANNOUNCES SUBSTANTIAL

PRICE
REDUCTIONS

on all models of

Chevrolet passenger cars and trucks

Reductions amount to as much as \$50 on some models

CHEVROLET'S reduced prices reflect in dramatic fashion the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values at these new, lower prices, Chevrolet hopes to maintain, during the balance of the year, the high level of employment so necessary to the general program of recovery.

Chevrolet is particularly glad to make this important announcement just at this time when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these cars. Be practical—compare its modern features and these new low prices with those of any other low-priced car. Then you will know even more surely than before why we say with confidence, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."

Spanish Village at Chicago World's Fair

Architect's rendering of the Spanish Village to occupy two and one-half acres of ground at the 1934 World's Fair. It will faithfully portray the manners and customs of the Spanish people, and of the homes, churches and shrines of the Fifteenth, Sixteenth and Seventeenth centuries. This is but one of numerous villages of this character representing different countries that will be an outstanding feature of the 1934 Exposition.

POP what a difference
a cool kitchen makes

There's a vast difference between a hot, stuffy, kitchen and the modern kitchen in which there is an electric range.

The kitchen with an electric range is just as cool as can be, because the heat of the surface units is concentrated entirely on the cooking operation. Then, too, the oven of the electric range is so heavily insulated that heat cannot possibly escape.

The coolness of electric cookery, together with its many advantages of cleanliness, speed and economy—to say nothing of its fully automatic features—makes the modern kitchen a delightful place in which to work.

Electric cookery is cool and carefree. Investigate it today!

George Washington Bridge Makes Grandstand Seat for Citizens Wishing to Review "The Fleet"

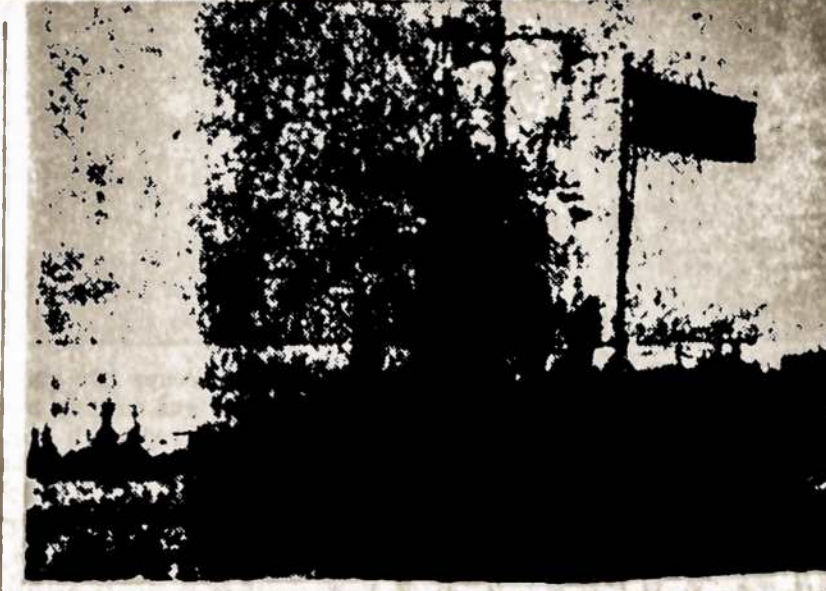

WITH the anchoring of the combined Pacific and Atlantic fleets off Manhattan Island the majestic Hudson River once again forms the setting for a stirring pageant. New York City, as well as the Hudson River, is filled with colorful and never-ceasing movement.

The magic words: "The Fleet is in!" are acting as a magnet to draw people into the city from all quarters of the compass. Daylong and nightlong all roads are well crowded with expectant tourists, eager to view The Fleet.

Motorists travelling via Hudson River roads are amply rewarded by many and imposing sights of the fleet at its moorings. Cameras are being put to frequent and worthwhile use.

The George Washington Bridge, owned and operated by The Port of New York Authority, offers one of the most convenient and fastest crossings over the Hudson, as well

as a beautiful and memorable panoramic view of the Rhine of America. Both daily and Sunday figures have been consistently higher than at any other time since the Bridge was opened.

Production Loans Now Available For Farm Boys And Girls

Farm boys and girls in 4-H
clubs or vocational agricultural
courses in high schools now have
access to facilities of Production
Credit Associations for loans to fi-
nance their crops or other farm
projects, according to an an-
nouncement received at the Pro-
duction Credit Corporation at
Springfield, Mass., from W. I.
Myers, governor of the Farm
Credit Administration.

Whereas loans could be made in
the past only to adults, the new
ruling permits associations to
make loans to boys and girls
through their parents or some
other adult who would be eligible
for a loan. Liens on the crop or
livestock in the project are not re-
quired as security.

This, according to J. F. Harriett
vice-president of the Production
Credit Corporation, means that
"members of calf clubs, potato
clubs, poultry clubs, and the like,
may get some very practical expe-
rience in short-term agricultural
credit. It is an excellent oppor-
tunity to develop in the younger
generation a realization of what it
means to conduct farming opera-
tions on a cash basis and to meet
obligations promptly."

Ford Prices Not Played With

The Ford Motor Co. Substantially reduced the
prices on all cars and trucks several months ago—
and since then has given the buying public the ad-
vantage of continued low prices. You pay to-day
the same price your neighbor paid two weeks or
two months ago. Ford V-8 prices are sound.
